

Preparing for Chicago!

Our Management Consulting Division is proud to announce you that we are ready to welcome you, MC Division!

First of all, I would like to thank in person all the submitters, even those who were not accepted, for all their efforts.

It's also my duty and pleasure to invite all the members and their family and friends to participate to our event.

On a larger scale, I would like to highlight the strong dedication of our board members and representatives.

Looking forward to welcome all of you in Chicago!

Dr. Amandine Savall

MC Division Chair
